Funding - from idea to application

Free initial consultation. A funding strategy can be a standalone product or the first step in a wider engagement.

Smaller funding needs

Service	Price (DKK)	Scope
Application review	From 1,500	Review and specific corrections to an application already written by the client.
Up to DKK 50,000	3,000	Brief funding plan and one straightforward application. One consolidated revision round and a short closing summary.
Above DKK 50,000 up to 100,000	5,500	Brief funding strategy and one application. One consolidated revision round and a short closing summary.

Standalone funding strategy

Service	Price (DKK)	Scope
Funding strategy	From 5,500	Project review, prioritised funding sources, financing plan and strategy PDF. Normally 5-8 suitable candidates/routes; larger or complex strategies quoted individually.

Thresholds refer to the total funding we help you seek across foundations and public schemes. The project budget and your own contribution may be higher.

Funding assignments seeking up to and including DKK 100,000 are paid in full before work starts. Small packages have no success fee and require a usable project description, budget and supporting documents from the client.

Scope is assessed before work starts. The smallest package is limited to approximately four hours of work. Additional project development and separate progress or final reports are not included in the small packages.

Funding - larger engagements

Starting prices for Sport Office work on one clearly defined project. Scope and final price are confirmed in the quotation.

Funding needs above DKK 100,000 up to 500,000

Service	Price (DKK)	Scope
Strategy + 1 application	From 11,500	One brief progress report and final report/evaluation.
Strategy + 2 applications	From 16,500	One brief progress report and final report.
Strategy + 3 applications	From 21,500	Up to two brief progress reports and a final report.
Strategy + 4 applications	From 26,500	Up to two brief progress reports and a final report.
Strategy + 5 applications	From 31,500	Up to two brief progress reports and a final report.
Additional application	From 6,000	Same project and an up-to-date funding strategy.

Funding needs above DKK 500,000

Service	Price (DKK)	Scope
Individual agreement	From 15,000 + optional 3%	Base fee and optional success fee. Scope, deliverables, payment plan and success-fee cap agreed before work starts.

Above DKK 500,000: individually agreed base fee from DKK 15,000 plus an optional 3% success fee with an agreed cap. The success fee applies only to funds actually disbursed that Sport Office helped secure. Own contributions and grants already secured are excluded. Grant conditions and payment of the fee are clarified before agreement.

Packages require the same usable project information, budget and supporting documents. One consolidated revision round per document. No automatic success fee on packages up to DKK 500,000. Funding cannot be guaranteed.

An earlier strategy fee is credited towards a corresponding package on an unchanged project basis, as agreed in the quotation. New phases and substantial project development are quoted separately. Combined funding and project development: individual agreement.

All start fees are prepaid. Only hourly work is billed in arrears. Funding assignments seeking up to and including DKK 100,000 and monthly capacity agreements are prepaid. Other fixed-price deliverables and stages are agreed in the quotation. Payment due dates are agreed separately; otherwise payment is due immediately.

External specialist / legal adviser services are not included. The client approves scope and cost before services are ordered. Foreseeable needs are clarified before the quotation.

All amounts are in DKK. Any VAT, taxes and the total client price are specified in the quotation. Transport, accommodation, equipment, freight, fees and third-party expenses are separate unless expressly included.

Sport Office provides the services set out in the accepted quotation. Scope, price and deliverables are agreed before work starts; material changes are clarified during the engagement. We cannot guarantee a grant or a specific funding amount. The funding body makes the decision. Rejection alone does not entitle the client to a refund.

Errors or misunderstandings attributable to Sport Office that cause a shortcoming in the agreed deliverables are first remedied at no extra charge. If the shortcoming cannot be remedied, a proportionate price reduction or refund for the affected service is agreed. The client's rights under applicable law are not restricted.
